## A Permanent Home for the Jaffrey Chamber

### From the President

I am very pleased to be the messenger of good news. With a great deal of sup-

port from the community, the Chamber has a permanent home for the first time since its inception 28 years ago. On August 19th we signed the papers to purchase the building we've been renting for the past 7 years. It's a perfect location, right in the center of downtown activity.

After months of research and discussions with three banks that are Chamber members and our Past Presidents Advisory Committee, the Board of Directors decided to enter into a 20-year fixed-rate mortgage loan with Monadnock Community Bank. Even with the loan payment plus interest, the Chamber will be spending the same or less per month as when we were renting.

The Chamber office has moved around a fair amount over the last 27 years. For many years it existed in the home of the Board President. So, every time a new President was elected, the office - consisting of boxes of files, stationary and numerous other items - would be carted off to its new location. It was through Past President Steve Pelkey's foresight and generosity that in 2002 the property at 7 Main

With just 48 hours left before the Festival of Fireworks, Steve Pelkey takes a break to join Board members Susan Peterson, Lee Bruder and Cathy Furze at Monadnock Community Bank to complete the sale of the Chamber building. With them is Rachel O'Leary.

Street was purchased from John H. Smith, renovated and became a comfortable office space for the Chamber.

We exist because of our active and supportive members. And, we're fortunate in the quality of our membership. During the process of deliberating about and implementing the purchase, all three Chamber member banks were patient, informative and offered excellent service, and our Past Presidents offered sage advice. At the risk of leaving someone out, I want to thank specific people who made significant contributions to our purchase.

Steve Pelkey has supported the Chamber in many ways: his years of service on the board, 21 years of partnering on the Fireworks Festival, and much more.

Founding President Marc Tieger offered the wisdom of his experience throughout the process. Cyndy Burgess and Phil Cournoyer were instrumental in assisting in the deliberation of financing options. Mike and Sue McCarthy worked with us to unravel a rather complicated insurance situation and ensured that we had comprehensive insurance coverage. We also want to thank Jeff Crocker, Kelly Bergeron, Phil Runyon, and Doug Whitney for their contributions to the effort.

*Don Burgess and Dan French direct the steady flow of traffic at the West End runway.*

*Kathleen Devlin (above) works the East Gate while Susan Emerson (right) directs pedestrian traffic at the main entrance.*

*Paul Hausmann*

*There's always something to do while waiting for the fireworks to begin! Watching the sky-diving exhibition, getting some yummy snacks from the vendors or just blowing some good old-fashioned bubbles!*

## 2010 Festival of Fireworks

*New volunteer Peter Sarantos (left) works the west end runway.*

*Veteran volunteers Barbara Dahl and Charlie Palmerman the ticket booths waiting for walkers to arrive!*

# A Perfect Day Leads to an Almost Sellout Crowd at the Fireworks

Another amazing, record-breaking year! The gates opened at approximately 3:25 pm. From that time on there was a steady flow of cars and people. It was the largest crowd to date, numbering perhaps 35,000 or more! The word from our parkers was that we had room for maybe 20 more cars at the West end and maybe 30 more cars at the East end. Our VIP tickets were sold out in advance. After enjoying the live music, the food, the sky-diving exhibition, the

climbing wall, the attendees saw a fireworks display that was fabulous. It was a great day from start to finish.

We would like to thank all of our volunteers! You are a key part of the success of this event. Thanks to Bill Oswalt and the police officers, Dave Chamberlain and the Fire Dept., Lisa Wilkinson and the Jaffrey-Rindge Memorial Ambulance crew as well as the Souhegan Ambulance crew, Gauthier Auto Service and Finish Line Colli-

sion Repair for their towing services, Lee and Harvey Sawyer and their crew, Steve Pelkey and Atlas, and Becky Newton for all the behind-the-scenes work she does to make our job go smoothly. Many thanks go out to TD Bank, Mr. Mike's and Ocean Bank for selling advance tickets again this year.

Santa's House 50/50 Raffle was a great success thanks to the generosity of the crowd. The Santa House volunteers worked extremely hard

selling tickets and did an outstanding job in the booth as well as in the crowd. Their efforts really paid off. The lucky winner went home with \$2,825 – another record! Of course, that means that Santa's House also received \$2,825. That will surely help to make Christmas happen for many families who otherwise would not celebrate Christmas. Kudos to the Santa House volunteers Mickey, Owen, Norma, Jan, Sue, Laura, Jen, Mandy and Charles.

## Coming Events

Now playing at **Peterborough Players - 2 PIANOS 4 HANDS**, a comedy by Richard Greenblatt & Ted Dykstra. **Sept. 1-12** (New Hampshire premiere!) The riotous tale of two Canadian boys sharing the same goal: concert pianist stardom. Come along on their comical journey as the actors/pianists portray a dazzling range of characters embellished with lots of piano wizardry featuring the music of Bach, Beethoven, and Jerry Lee Lewis, to name a few. Rated PG-13

Tickets: \$38, except Saturdays \$40. Box Office: 603.924.7585 or online: [www.Peterborough-Players.org](http://www.Peterborough-Players.org) •

**Monadnock Music** presents **In the Shadow of Monadnock**, an Exhibition of Freestyle Dressage to Music. An event for the entire family! Saturday, **September 11**, 1:00 pm to 4:00 pm. Rain date, Sunday, September 12.

## Spotlight on: Love's Token Photography

Tom and Christine Doane have rebranded their business! Affordable Memories Wedding Photography is now Love's Token Photography, LLC.

They are a full-service photography business: weddings, portraits, maternity, infant, children, families, senior portraits and special occasion coverage.

Portrait sessions can be done on location or in Love's Token Photography's studio.

Tom grew up in Swampscott, MA and graduated from Nichols College, Dudley, MA. Christine grew up in Rindge, graduated from Conant High School, Keene State College and received a Master's Degree from Boston College. They returned to Jaffrey in 2001 and love country living. Tom and Christine have been married for forty years.

Tom and Christine are both professional photographers who work as a team to offer different perspectives of a single event. They both have fifteen years of professional

experience and have photographed over two hundred weddings.

They use state-of-the-art digital equipment to give clients a high-quality end product.

Wedding coverage is done in a combination of traditional and photojournalist styles. The result is quality photographs without stress.

A discount is offered to all past and present members of the military in appreciation for their service to our country.

Love's Token Photography, LLC is currently looking for two members of the senior class from each of the area high schools. The students selected will receive complimentary senior photographs. In return, the senior is asked to show their photographs to their families and friends.

To view Tom and Christine's work and pricing, visit: [www.lovestokenphotography.com](http://www.lovestokenphotography.com). Customized packages are always available to fit the client's needs.

## The Chamber Gives Back

Golf Committee Chair John Rider presents a check to Debbie Hill (left) and Linda Harris (right) from Shelter from the Storm. The check for \$1,285 was a donation from the proceeds of this year's Ron Despres Memorial Golf Classic.

Below, Frank Mieso and John Rider present Faye Cooke, from the Jaffrey Food Panty, a check for \$440. The money was raised on the Zinger Hole at this year's golf tournament.

Max Mitchell, Motorcycle Poker Run Committee Chair, presents Janice Fiandaca a check for \$803. The donation will benefit the Marty Taylor Scholarship Fund.

## Aging with Grace and Dignity - Slow Medicine: An Evening with Dr. Dennis McCullough

Home Healthcare, Hospice and Community Services (HCS) will host an evening with Dr. Dennis McCullough on Tuesday, October 5, at 6:00 pm at the Peterborough Town House. Dr. McCullough's topic will be "Aging with Grace and Dignity – Slow Medicine."

Dennis McCullough, M.D., has been an "in-the-trenches" family physician and geriatrician for over 30 years. He is a graduate of Harvard College and Harvard Medical School, and trained in the Department of Family Medicine at the University of Western Ontario. He has served as a long-time faculty member in the Department of Community and Family Medicine at Dartmouth Medical School in Hanover, NH.

The *New York Times* has credited Dr. McCullough with creating the term "Slow Medicine" to describe a new approach for improved quality eldercare. His book, *My Mother, Your Mother: Embracing "Slow Medicine," the Compassionate Approach to Caring for Your Aging Loved Ones* (Harper-Collins, 2008) lays out the humane complement to the

world of American high-tech "Fast" Medicine. Dr. McCullough's goal is to create conversations among elders, families and health care professionals about how we can approach this "Fourth Age of Life." Slow Medicine has been met with widespread interest in Aging in Place / Aging in Community groups, retirement and assisted living communities, churches, chronic care support groups, hospitals, nursing homes, hospices, and professional groups of doctors, nurses, social workers, geriatric care managers and other professionals involved with the care of elders. He has lectured widely in the U.S., and also in Canada, Mexico, and Asia.

Dr. McCullough's talk is free and open to the public. His books will be available after the presentation. Home Healthcare, Hospice and Community Services, a United Way agency, provides services throughout the Monadnock region that assist people of all ages to stay independent at home. For information about the lecture or services, contact Lynn Robbins, Community Liason at the Peterborough Office of HCS at 532-8353.

## Member News

### July After Hours

On Wednesday, July 28, **Hampsey and Grenier** hosted a summer After Hours. Live entertainment was provided by Lisa McCormack and the delicious food was catered by The Monadnock Inn. •

The Board of Trustees of **Sharon Arts Center** announced that the purchase of its Downtown Gallery and Store space in Peterborough is complete. Prior to this, Sharon Arts rented the space from Depot Square Limited Partnership. The Trustees made the decision in July to move forward with the

purchase. The purchase was completed on Wednesday, August 4th.

“This is a pivotal moment in the history of Sharon, as well as for Peterborough and the Monadnock region,” said Bob Pettegrew, Executive Director of Sharon Arts. “By purchasing the Gallery and Store space, it enables us to significantly reduce operating expenses. It’s hard to imagine the Monadnock Region without Sharon Arts, and this bold move ensures the sustainability of a very important cultural resource in our community.”

Cy Gregg, one of the owners of Depot Square Limited Partnership, has been a strong supporter of this idea since its inception several years ago. “We made an exception to sell the Gallery and Store space to Sharon as

it is an ‘anchor’ to downtown Peterborough, and to our community,” said Gregg.

“We are currently discussing how to improve the existing space to better serve the community,” said Pettegrew. “We heard so many great ideas from those in our community over the past few months, and we’re using all of that feedback as we make those plans. We welcome and encourage ideas from everyone in the community as we continue in this process.”

For more information on Sharon Arts Center, visit [www.sharonarts.org](http://www.sharonarts.org). To contact Bob Pettegrew, call 603.924.7256, ext. 303; or email [bob@sharonarts.org](mailto:bob@sharonarts.org). •

### Sunday Music in September at Sunflowers.

•Sept 5 Terry Landis Band Eclectic covers and originals

delivered from the heart with dynamic soulful vocals and beautiful backup instrumentation

- Sept 12 - Bob Dean on guitar with popular favorites

## What Happened to the River?

The Department of Public Works recently began work of the Main Street Dam in preparation for the ultimate replacement of the control gate operators.

Recently, the Department cracked open one control gate to facilitate the gradual release of the impoundment. This action was necessary to allow bidders and fabricators for the gate replacement to take accurate measurements of the existing control gates to provide accurate and fair costs to replace the gates.

The replacement of these old gates is currently out for bid with bids due on September 16, 2010. Once a contract is approved, fabrication, construction and installation of the replacement gate(s) will

occur over approximately a 12-20 week timeframe.

Subject to weather and other conditions, the Main Street impoundment may be dewatered into mid 2011.

This work is being completed in compliance with a Letter of Deficiency issued by the NHDES Dam Safety Bureau. This dam must be made operational.

The Department is sensitive to the character and aesthetic benefits this dam brings to the downtown and will strive to minimize the time of drawdown to the greatest extent possible. In recognition of these aesthetics, the replacement plan requires the existing gears to remain, although they will not be part of the replaced gates.

## Supporting the Fight Against Breast Cancer as a Business Is Simple!

There are a couple of ways that the business leaders of Jaffrey

can help support the Making Strides Against Breast Cancer walk on October 17, 2010. cards, and tying pink ribbons on the trees in front of your building. We would like to have the displays up for the two weeks leading up to the event.

The second way is to become a sponsor of the walk. This could include a monetary donation, labor, space, or food/beverage. There are three different levels of sponsorship but everyone gets recognized in the day-of-event program for any help that is given.

If you are interested in participating in any way, please contact Christine Witham, Co-Chair, Peterborough Walk Committee at [cwitham@sde.com](mailto:cwitham@sde.com) or 562-6572.

### Chamber Home from pg. 1

Looking ahead, we are planning a celebration of our purchase for mid September. As you may recall, over the last couple of years the Chamber Board and staff have been working hard to build the organization's infrastructure. The fact that we now have a permanent home is a wonderful capstone. We hope you agree. I don't want to sign off without sending out a huge personal thank you to each and every volunteer who worked at the 21st Annual Festival of Fireworks. Without you we wouldn't be able to run our biggest fundraising event. Your hard work is very much appreciated. Thank you!

Tammy Griffin at TD Bank, Michelle Marshall and Joanne McGovern at People's United Bank (formerly Ocean Bank) and Bill Gilson and Rachel O'Leary at Monadnock Community Bank were responsive and very helpful in getting us timely and specific information about mortgage options. The Board deliberated long and hard about each option and the decision was difficult. We are fortunate to have such excellent banking organizations in our immediate area. We have called upon the experience and expertise of Will DuVal many times and he has been both generous and gracious. Thank you all, many times over!

If I have left anyone out, please do forgive me. The omission was an oversight and not at all intentional.

I hope September is good to you all.

## The Motorcycle Poker Run Was Blessed with a Sunny Day, Many to Thank

On Sunday, July 11th, the Chamber held its third annual Motorcycle Poker Run. Once again, the day of the event was blessed with beautiful weather and the spirits of the participants and volunteers were high. The day began at Monadnock Community Plaza in Jaffrey where the bikes began rolling in around 9:00. Riders were guided through the registration process, signing the waiver, paying their fee, receiving their maps and tally sheets and drawing their first card of the day. Some, eager to get on the road, were off right away. Others chose to stay for a bit, admiring the Tombstone motorcycle hearse (compliments of Cournoyer Funeral Home), enjoying the complimentary coffee (provided by Mr. Mike's) and socializing with their fellow riders. This year, we also gave riders a chance to guess the number of miles that the ride totaled. After enjoying the scenic

100+-mile route through Cheshire and Hillsboro counties, riders ended the day at the American Legion in Jaffrey where they enjoyed lunch prepared by our volunteer chef team. Mr. Mike's and The 99 Restaurants donated much of the food. The American Legion provided riders with a cash bar and the band Easter Sunday provided music to set a lively mood in the air. Participants were also allowed to improve their "chances" of getting a better hand by picking a card on the dartboard or the roulette wheel. At 3:30, we wrapped up the day by announcing the winners of the raffle prizes, the 50/50 raffle (all of the 50/50 money raised went to the Marty Taylor Scholarship) and of course the riders with the best and worst poker hands. Congratulations to our grand prize winner, Bob Spear of Francestown who won a brand-new pair of leather motorcycle jackets. Following the event, a thank-

you party was held on Sunday, August 29th at the home of Cheryl and Kevin Simmons. Volunteers enjoyed food and drink; talked about the event and a \$800 donation check was presented to the Taylor family for the Scholarship fund. We raised over \$3,000 and the feedback from those who participated was very positive. We are very grateful to all those who helped make the event such a big success. Thank you to all of the volunteers, the committee, all of our corporate sponsors and everyone in the commu-

nity who donated food, raffle prizes and, most importantly, their time. We would like to extend a special thank you to Michelle Plourde who worked tirelessly for months, serving on the committee, planning the menu and coordinating the lunch service at the rally. We couldn't have done it without her! Like a good motorcycle ride, it was full of lots of sunshine, some twists and turns and the occasional bump. We are already starting to look forward to the fourth annual Motorcycle Poker Run in 2011!

## Healthcare Happenings

### Hospice at HCS Volunteer Training

Hospice at HCS is offering a training program beginning in September for those who are interested in becoming volunteers. The training will begin on September 7 and continue on Tuesday afternoons from 1:00 pm to 4:30 pm through October 26.

Topics such as grief and bereavement, the spiritual aspects of dying, communication skills, care for the caregiver, and family dynamics are covered as part of the 27-hour training. Volunteers are members of the hospice care team, providing support to the patient and to family members. After completing the training, volunteers assist patients with interests such as writing letters, reading, playing board games, scrap booking, or may accompany a patient to a community event

or to visit friends. Volunteers also assist by providing respite to family caregivers. Hospice volunteers are especially needed during the day, but time can be very flexible and work around work and travel commitments.

Hospice at HCS provides end of life care in Jaffrey and in towns throughout the Monadnock region. Care is provided in homes and in assisted living and nursing homes; volunteers are needed to offer support and companionship to patients and families in all settings. Home Healthcare, Hospice and Community Services is located on Community Lane on the Jaffrey/Peterborough town line; the training program will take place at their Keene office at 312 Marlboro Street. The program is free of charge. For more information, call Lorraine Bishop, Hospice at HCS Volun-

teer Coordinator at 532-8353 or [lbishop@hcsservices.org](mailto:lbishop@hcsservices.org). •

### Putting the Pieces Together When You Don't Have Health Insurance for You and Your Children

Presented By: Karen Punska, Family Resource Counselor for Cheshire Medical Center/Dartmouth-Hitchcock Keene. On Thursday, Sept. 16, 5:30 - 6:30 pm at the Jaffrey Chamber of Commerce office at 7 Main Street.

This presentation will consist of a general overview of the criteria to apply for NH Healthy Kids Gold and Silver Programs, NH Health Access and the Financial Assistance Program at Cheshire Medical Center/Dartmouth Hitchcock Keene. After the presentation there will be time for questions. Please register with Karen Punska at: 354-5454 ext. 2137. •

September 15, 22 and 29 from 5:30 to 7 p.m. at Pheasant Wood Care & Rehabilitation Center located at 50 Pheasant Road in Peterborough.

A different care-giving topic will be covered each week. Topics will include practical tips on managing medications, giving personal care, preventing falls, community resources, and caring for those with Alzheimer's disease. All instructors will be nurses and rehabilitation therapists with extensive home care and geriatric care experience.

The workshop series is free, but reservations are necessary by Friday, September 10. Call Home Healthcare, Hospice and Community Services, a United Way agency, at 532-8353 and ask for Lynn Robbins, community liaison, for more information and reservations.

Home Healthcare, Hospice and Community Services is a not-for-profit home care and hospice agency serving the region, with an HCS office on 19 Community Lane in Peterborough.

Pheasant Wood Care and Rehabilitation Center in Peterborough provides short-term rehabilitation services, long-term care and a specialized Alzheimer's/Dementia program. •

### Taking Care of a Family Member? Get the Toolkit!

This September, Home Healthcare, Hospice and Community Services (HCS) in collaboration with Pheasant Wood Care & Rehabilitation Center will offer a "Tool Kit for Caregivers" Workshop for family members taking care of loved ones. The free workshop series will be held on Wednesdays,

The Park Theatre

Reservations are needed by noon on September 15 and can be made by calling Kelly at 1-800-541-4145 or 352-2253. The Friendly Meals is a program of Home Healthcare, Hospice and Community Services, a United Way agency.

A Nurse Is In clinic, with a wellness nurse from Home Healthcare, Hospice and Community Services (HCS) available to take blood pressures, will be held from 11:00 am to 1:00 pm. •

## Celebrating 10 Years of Scarecrows on the Common!

TEAM Jaffrey's signature event, "Scarecrows on the Common," is returning this year to downtown Jaffrey on October 9, 2010. The rain or shine event has only been cancelled due to inclement weather once during its ten-year history, so TEAM Jaffrey's Promotion Committee is hoping for the summer's great weather to continue into the fall. Every year the event draws more folks to the downtown district for the day. Areas include the "Hay Pit" where the Crows are built, the "Pumpkin Patch" where you can buy and decorate pumpkins, areas for children with free games and art stations, a food concession run by TEAM Jaffrey and new this year "Chooch-aline Face Painting" by Katie McNamara, a vendor who participated at Riverfest.

Sponsorships by New England Wood Pellets, Belletetes and the Jaffrey-Rindge Rotary Club have helped to keep costs down throughout the event's 10-year history.

Prize ribbons will be given out in two categories this year: Family and Business. There will be First, Second and Third Place awards as well as Honorable Mention. Businesses who would like to participate can register with Kathy at the TEAM

Jaffrey office prior to the event. Families are invited to use supplies provided by TEAM Jaffrey or to bring their own. All family scarecrows however must use the standard crossbar as part of the Crow's design, be stuffed with hay and registered on site at the event

Each year it takes 70 to 80 volunteers to make the event

the success it is. Volunteers are needed for the event and can participate in many ways. The volunteers can help by being part of the registration crew, food/concession crew, kids game crew, hay pit crew and road crew.

If you would like to help, contact Kathy at the TEAM office at 532-7168.
